

Want Your Next Book Free?

It is hard to get reviews--our family members & friends cannot find the time to write them. So, if you do this for me I fully intend to reward your loyalty. Send us an email when your review is posted & let me know which of my books you would like to own in digital (.pdf) format. I will send you your next free book without delay! Thank you so much!

Book Club Group Questions "BODIE"

Have you ever had a recurring dream or one that could be considered psychic in some way? Did you ever investigate or try to interpret one of your dreams?

Do you have an opinion regarding reincarnation? Did this book influence your belief?

Today, the Bodie Bowl is still mined via open pit excavation. How do you feel about these mining practices and their impact on the environment?

Was the Old West a harder life for men or for women, generally? Why?

How does the author portray women of the west and do you agree with her depiction?

Did you connect with any characters? Who is your favorite and why?

What surprises, if any, did the book hold for you?

Were there any decisions the characters made that you would have done differently?

Does this book remind you of any other books or movies you have seen?

Did this story evoke any strong emotions from you? Which one(s)?

If the author were to write a spin-off sequel, which character would you most like to see continued?

What was your favorite scene from this book and why?
